## Professional Summary

I am a second-year graduate student pursuing an M.A. in Higher Education - Student Personnel with a strong foundation in academic support, student engagement, and administrative coordination. Experienced in assisting students with academic planning, developing student-focused programming, and contributing to retention and mentoring efforts. Proven ability to build rapport with diverse student populations and work collaboratively across departments to support student success.

---

---

## Professional Experience

### **Practicum Student, FedEx Student Athlete Academic Success Center**

*University of Mississippi* | January 2026– Present

- Offer basic assistance with assignments when possible and direct students to tutors, instructors, or academic resources if needed.
- Take and record attendance accurately, noting late arrivals, early departures, or absences as required by the college.
- Supervise students during study hall to ensure they remain quiet, respectful, and focused on academic work.
- Protect students' personal and academic information at all times.
- Represent the university and the center in a professional manner.

### **Graduate Assistant, FASTrack Program**

*University of Mississippi* | August 2024 – Present

- Assist students with academic planning, including course selection navigating and advising appointments and registration.

- Organize and coordinate social and academic events to foster student engagement and sense of belonging.
- Participate in peer mentor and graduate assistant hiring processes, including candidate selection and interviews.
- Support students' academic and personal development through ongoing outreach and community-building initiatives.
- Participate in on-campus program recruitment and assist with the orientation of students.
- Represent the university and the program in a professional manner.

### **Part-Time Equipment Staff, Texas A&M Football**

*Texas A&M University* | August 2023 – December 2023

- Managed daily operations for team inventory, increasing efficiency for practice and game-day setup.
- Oversaw and timed practice drills, supporting team success and skill development.
- Collaborated with coaching staff to support athletes in achieving their performance goals.

### **Intern, Texas A&M Equipment Department**

*Texas A&M University* | January 2023 – May 2023

- Organized and maintained inventory, supporting efficient equipment distribution and usage.
- Assisted with on-campus recruiting efforts, focusing on student-athlete experience and brand engagement.
- Supported coaching staff with practice logistics and position-specific drill stations.

### **Student Camp Worker, Texas A&M Football Camps**

*Texas A&M University* | Summers 2019, 2021, 2022, 2023

- Facilitated camp activities by organizing drills and equipment for high-volume youth programming.
- Served as first point of contact in the camp store, supporting merchandise sales and customer service.
- Ensured smooth camper transitions between stations to maximize engagement and learning.
